

27/1/76
 11:00-12:35
 1 hour
 clear night, foggy at
 horizon, w. moon,
 in dark field

do not approach unless
 13/1/76

both lit at one time
 but that much clearer

Maybe dumping UFO, helicopter, car, water birds etc.
 it was going from darkness
 of night + ambiguity of plain + mystic midnight
 covered most plain. see earlier + answer many details
 question working about earlier
